

Frankeny Quits Race; Slates Formed

The second forum for City Council candidates, held at Fairmont School, produced the withdrawal of Bob Frankeny from the contest, the emergence of two "slates", the controversial sign ordinance as a campaign issue, sharp questioning from the audience and pointed dialogue between the candidates.

Between 50 and 60 persons attended the forum sponsored by the Lynridge and Rolling View Home-owners Associations. Eight candidates participated with Frankeny, Jack Reid and Larry Cope absent. Kenneth Hoyt gave his five minute presentation and then excused himself from the question and answer portion of the program due to his wife's illness.

The candidates, in their talks, repeated primarily what they had said at the first forum, reported in last week's Star, but the question and answer part of the program was more productive than at the first session.

Frankeny's withdrawal was made in a statement read by his campaign manager, Jerry Gorman. It said:

"We entered the Yorba Linda City Council election with full intentions of carrying out an active campaign. However, due to recent personal circumstances we can no longer give the campaign our full attention."

"We are remaining actively involved in the community and will continue to support the low density philosophy of the majority members

of Yorba Linda City Council.

"In keeping with the platform we are supporting Dale Chaput, Anton 'Doug' Groot and Irwin Fried."

This was the first public confirmation of the rumors that the incumbent councilman, Chaput, and the two members of the Planning Commission, Groot and Fried, were involved in a concerted attempt to gain the three open council seats.

The other "slate" gained that status through a mailing which contained their literature. It linked J. Elton Patridge, George Matthews and Herb Warren.

The mailing was made by B&B Chevrolet in a packet which contained literature about the Chevrolet dealer's cars. Several

questions about the mailing were addressed to the three candidates.

The issue of low density came in for its share of attention both during the formal presentations and by questioning. But the sign ordinance, which businessmen and the Chamber of Commerce have protested as restrictive, was very much on the mind of the audience.

The lone woman candidate, Denise Mulick, introduced the sign ordinance issue in her five minute talk. She asserted that the "time has come to change it." Mrs. Mulick advocated a combination of sign experts and volunteer artists to produce a workable economic sign plan that would "improve business and increase the sales tax."

Warren, in answer to a question, said he would be open minded on the sign ordinance, did not want "garish" signs but believed that merchants should have the right to properly display their wares.

Patridge, who, as president of the Chamber of Commerce, had been involved in that organization's approach to the council and planning commission on possible changes in the sign ordinance, declared that signs of a maximum size are needed to identify the business so that they can bring in business.

Fried argued that Yorba Linda does not have regional commercial centers, the city is not on a freeway, is not trying to attract travelers, caters to local needs and shoppers

can find what they are looking for.

Groot reminded that merchants can ask for a variance from the planning commission and city council if they are not satisfied with their signs. He added that signs can get shoppers into a store once but the merchandise and how the store is operated is what brings them back.

Fried agreed with Groot but Mulick mentioned that elderly people looking for a store sign on a busy street can possibly cause accidents if the signs are too small.

Matthews advocated a "sensible" sign ordinance.

Councilman Rudy Castro, not running for reelection, posed the questions which tied Warren,

MESSAGES OF MERCY—Harry Bullard of Yorba Linda listens intently to ham radio operator from Guatemala while monitoring calls concerning earthquake in the South American country. Bullard has been able to get messages through to the stricken city and relay pleas to relief agencies in this country.

YL 'Ham' Assists Quake Victims

BY JIM ARKISON

Since first word of the devastating and killing earthquake which ravaged Guatemala on February 4 was relayed around the world a dedicated Yorba Linda ham radio operator has been almost continuously monitoring messages and playing a role in obtaining relief for the quake victims.

Harry Bullard, high atop Hillside Drive in the Rolling View Estates section of the city, was awakened by a call from a friend at 6 a.m. on the morning the South American city was stricken.

Because his location is well above natural and manmade obstacles, Bullard is able to send out a powerful signal and his reception is exceptional. (As this reporter listened, messages beamed from Guatemala City came in strong and clear as though the sender was speaking from the next room.)

Shortly after tuning in the first morning Bullard, a retired mechanical engineer, got a request from a fellow Shriner to make an attempt to find out whether a Shriner missionary in the stricken city had survived the catastrophe.

Because radios and power lines had been affected it took Bullard three days to get the message through. But from that point he was very busy.

Other ham operators around the nation tuned in on his frequency heard of his success and requested that he send messages for them. Bullard was happy to comply.

Last Thursday, while monitoring

messages from Guatemala City he heard an urgent message being broadcast to all Guatemalan consulates in the United States.

The message was to the effect that a state of emergency still exists, supplies are needed badly and that the consuls should continue their efforts to speed supplies as rapidly as possible.

Bullard taped the message in English (it was also broadcast in Spanish) and contacted the consul in Los Angeles via telephone to relay the message. He then let Guatemalan officials know it had been delivered.

His assessment of the situation, based on what he has heard over his radio, is that it is stabilizing but the need for water and medicines is acute. Medicine is needed because Indians in the mountains are just now being revealed as quake victims and they had been without any attention.

At one point in the interview a message was broadcast from the Secretary of State of Texas to Guatemala telling of the take-off of airplanes carrying 90 tons of supplies, including a complete emergency field hospital.

Bullard's call letters are WA6VZO. He has been a ham operator for 20 years and is licensed to operate in California and in New Orleans. He gets a lot of enjoyment from this and other hobbies but also likes the feeling of being able to assist in an emergency.

Bicentennial Goal Reached

On December 13th, the Friends of the Yorba Linda District Library held a Bike-a-thon. The purpose of the event was to raise funds to purchase parts of the television film series, "America" as narrated by Alistair Cooke, for the Yorba Linda Library.

Irwin Fried, Bike-a-thon Chairman for the Friends of the Yorba Linda Library, announced that he was able to mail a cashier's check to Time-Life Films for the segment entitled, "Inventing a Nation."

This film will be presented to the Yorba Linda District Library on Saturday, Feb. 21 at 1 p.m., in the Multi-purpose Room of the Library.

At that time, certificates will be presented to everyone who participated in the Bike-a-thon, along with a bicycle flag to the child who raised the most money, in each of the participating groups.

Fried stated that to his knowledge, the Yorba Linda District Library would be the only Library in Orange County that will own outright any part of this series, as a community resource and asset.

Absentee Ballots

Absentee Ballots for the March 2 General Municipal Election are now available for registered voters who will not be able to go to the polls on Election Day.

Applications for Absentee Ballots are included on the reverse side of the polling place information sheet in the Sample Ballot material.

Applications for Absentee Ballots must be received by the City Clerk's office no later than February 24. Any questions regarding this matter should be directed to the City Clerk's Office, 524-5000.

Aluminum Campaign Success

The Rotary Club campaign to collect aluminum in bins stationed at key points in Yorba Linda, has come to a positive close, says Club President Dave Kurisu.

As much as \$50 worth of discarded cans and other aluminum "junk" was collected in a day by the club for seeing-eye-dog training carried on by Honor Boy Scout Lee Wirth, in whose honor Rotary dug up over 3,000 lbs. of the stuff for Reynolds Aluminum and passed the necessary dollars on to the Eagle Scout so that his dream could come true.

And so, the job is done. Wirth will soon have the trained dog in the grateful hands of a blind person, and all concerned will not soon forget the days when Rotarian Dave Collett's big disposal trucks picked up the "loot" and hauled it to the payer-offers.

The Rotary Club now asks that folks refrain from dumping things in the bins, as plans are now under way to take them away. "Thanks to all the community for a job well done," says Rotary Prexy Kurisu.

SETTLING BASIN—View from Imperial Highway shows the five acres which are waiting for development into a local-regional park. The Yorba Linda Country Riders is soliciting the cooperation and assistance of organizations to help convert the basin into a play area. Time, labor and funds are needed for the project. For more information call 528-3092.

Main St. Improvement Accelerates

Over 25 merchants located on Yorba Linda's Main Street met for several hours in the Chamber offices last Tuesday night to hear City Planning Director Phil Paxton and Chamber Executive Manager Bill OpDyke lead a lively discussion on the future of Main Street and potential methods for further improvement.

Paxton outlined the upcoming street's temporary "dislocation" to permit removal of ugly wire poles and placement of all such wire underground.

Pump Tax Sets Record

The Yorba Linda County Water District paid an all time record of \$68,953 pump tax to the Orange County Water District (OCWD) for the six month period from July through December 1975, general manager Ralph Shook said this week.

The \$68,953.00 in assessments to OCWD for the second six month period of 1975 was for 3,147 acre feet of water that was pumped from the underground basin along the Santa Ana River.

During the last 22 years, the district has paid OCWD a total of \$941,727.63 in pump taxes, Shook said. It is estimated that the district will pass the one million dollar point in July 1976.

OCWD uses the money to purchase Colorado River water and more recently higher quality northern California water for percolation into its underground basin, the district's primary source for its water supply.

The district also purchases Colorado River water from the Metropolitan Water District of Southern California.

Karen In Pageant

Karen Horn, Miss Yorba Linda, will make a second attempt to capture the Miss Orange County title in the annual pageant scheduled on Thursday, Feb. 26.

The event will be held in the Plummer Auditorium, 201 E. Chapman, Fullerton, beginning at 7:30 p.m.

Tickets at \$3 per person may be obtained at the local Chamber of Commerce office, 993-5820.

The job will be done by the city without too much disruption of the street and sidewalks," he said, and assured the group of strong interest by the city government in the best interests of this leading area landmark.

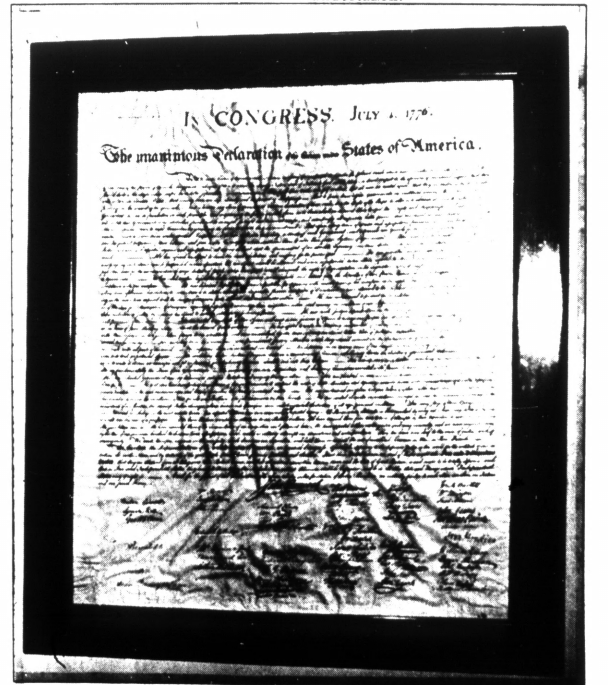

Varied types of improvement, beautification, and identification, were discussed, leading finally to the formation of a committee to be chaired by Jack Bisson and consisting of members Helen McGrady, Dee Hale, Fay Musick, Ken Westlund, and Hal Waterbury, all Chamber members and managers of key stores on the historical street.

"The Committee will take a

step-by-step approach to all possibilities and plans to give priorities to the various projects," stated Bisson.

"This type of group meeting is not unique to active Chambers of Commerce, cooperating with City officials," stated the Chamber's OpDyke. "In fact, the project was begun back in September of last year with periodic meetings thereafter, all helping to lead to some conclusions which it is hoped will be implemented as time passes."

"Chamber members have also been engaged in studies of other downtown 'redevelopment' programs in other California cities, thus giving them good insight into what can be done...and how it might be undertaken."

INVITATION—This handwritten copy of the original Declaration of Independence will be on display during the President Days at the Yorba Linda Library. Other historical artifacts and documents can be seen. John Quincy Adams, a direct descendant of the famous American family, greeted visitors. President Days will continue through Saturday from 9 a.m. to 5 p.m. each day. Adams, Mayor Carolyn Ewing and Mille Krantz, chairman of the Bicentennial Committee, extend a cordial invitation to all residents to visit during the event.

New Frontier '76 Edition

Just about ready to be printed is the second annual Yorba Linda Star-Chamber of Commerce special edition. It will be delivered to all residences in Yorba Linda with the regular edition of Wednesday, Feb. 25.

This year's edition carries out the theme "Yorba Linda, Orange County's NEW FRONTIER '76."

In stories and photos, supported by advertising, Yorba Linda's past, present and especially its future, will be outlined. The edition is utilized by the Chamber of Commerce as one of the key pieces of literature which is distributed to all persons who inquire about the "Land of Gracious Living."

This means that the NEW FRONTIER '76 Edition will go to all corners of the United States.

Letters To The Editor

FUHS Support

Dear Sir:
As students of Troy High School we urgently request the voters living within the Fullerton High School District to support the base revenue limit election on March 2. If it were to pass, the revenue income limit would increase \$150 per student per year.

The tax override election would also raise the property tax 30 cents per \$100 assessed valuation. This is the amount necessary to rescue Troy and the other high schools from a certain financial disaster next year.

We students realize the added income-tax burden this will put on the financially beleaguered citizens of Fullerton and Yorba Linda. However, we also are not immune to the hardships of inflation.

Financially, our school is at the very end of its rope. In response to this year's budget crunch, the Board of Trustees has already cut 1.2 million dollars from the 1975-1976 budget.

This belt tightening measure has resulted in the loss of many capable teachers and a substantial increase in class size.

The total deficit figure for the 1976-1977 school year was originally estimated to be \$3 million but was reduced to \$2.5 million by initiating additional economics and by not restoring the previous reserve levels.

The tax-override election would produce the amount needed to equal the 1976-77 expenditures.

One question still remains: If the tax-override election does not pass, how will Troy and the other high schools be affected?

The Advisory Committee on School Finance gave the Board of Trustees several recommendations as to the cutbacks that could be made if the tax-override election is not passed.

Candidates...

[Continued from Page 1]

Matthews and Partridge into a slate. He asked who paid for the mailing, what was the cost and how each would handle the issue of "fluttering signs" which B&B Chevrolet has at its place of business on Imperial Highway?

Each of the three said they had been asked if they wanted to have their literature in the B&B mailing and all had accepted the offer. Warren said the cost was \$611, he had bought his Chevrolet from a Brea dealer, had not been connected with the Chamber of Commerce for 10 years and "understood" the same offer had been made to Frankeny.

Gorman, answering for Frankeny, noted that the offer had been made but was not repeated after B&B was informed Frankeny would vote against fluttering signs.

Partridge averred there was no Chamber involvement in the offer or in his candidacy. He said he accepted the offer on the basis that the campaign literature would not increase the cost of the mailing.

Matthews claimed he does not know the owner of the car agency, that he accepted the offer because it saved him the cost of a mailing but "I am under no obligation to them."

In answer to a three part question from Castro the candidates indicated they would vote for a city property tax within four years if they felt it is needed, would not vote to increase the \$150 monthly expenses paid to council members but would accept additional expense money if the reason was legitimate.

Joe Sanguinet and Roy Lycett, president of the two associations which sponsored the event, were co-moderators.

CB Radios Big Target

The susceptibility of vehicle-mounted citizens' band radios to being stolen was underscored recently in Yorba Linda with the theft of five such radios within a 36-hour period.

The first three of the five burglaries, all of which took place on the east side of town, three of them on a single street, reportedly occurred February 5.

That night, radios were taken from the vehicles of James G. Quijas, 6002 Amberdale; Stephen E. Calderwood, 19331 Willowbrook; and Roger Moore, 20031 Crestknoll, in county territory.

The following night, radios belonging to Ronald E. Nichols, 5791 Amberdale; and Jimmy Kipinitz, 5862 Amberdale, fell victim.

The burglar or burglars, though seemingly most interested in CB radios, also helped himself/themselves to anything handy.

Among other items reported lost were an AM/FM radio (Quijas), a hunting knife (Nichols), and a pair of ski boots (Kopinitz). Value of all losses exceeded \$900.

Two suggestions highlighting the list they submitted were: (1) reduce the school day to five periods, and (2) increase the student/teacher ratios.

Limiting the school-day to five periods would not allow students to take any electives. Advanced courses in mathematics and foreign languages will wither and die, because no students will be able to sign up for them.

Many students will also find that they have no time in their schedules to develop their talents in Music, Drama, or other fine arts programs at Troy.

Students who are either slow or advanced in their studies will find themselves severely hampered trying to broaden their skills in programs that are rapidly being phased out.

To increase the student/teacher ratios at Troy would accelerate an already undesirable situation. Student-teacher interaction is greatly hindered with thirty-five or more students per class.

To increase student/teacher ratios would definitely lessen effective learning.

Our school's sports program will probably be hit the hardest if the cutbacks predicted for next year should prove to be a reality. Safety equipment shortages would inevitably mean a marked increase in student injuries.

Strict measures taken by our administration will most likely result in an unheated pool for our swimmers, no bus transportation to games, and fewer supplies for our teams.

In addition the School Finance Committee thought that our high schools should reduce or eliminate counselors and/or student transportation to and from school.

If Troy High School follows some of the Finance Committee's austere alternatives this, poses for us students the one important question: What value is our education?

We students hope that the citizens of Fullerton and Yorba Linda will continue to support us now as they have done in the past.

Robert Ruiz

Richard Bridgford

Ford Response

Dear Mr. OpDyke:

President Ford has asked me to express, first of all, his regret at the delay in responding to your letter of November 20, 1975, and secondly, to convey to you and to the members of the Yorba Linda Chamber of Commerce his admiration for the Job Economics Training (JET) five-session course which you and your organization make available to the people of Yorba Linda.

The Founding Fathers, as you know, were aware of the problem you describe and none of them held out much hope of a people being able to govern themselves unless they were an informed people.

One of the definitions of an informed nation, certainly, is a nation which understands clearly the issues before it, the choices available, and, most importantly, the costs as well as the benefits accruing to each decision it must make.

One can never be certain, of course, but one would think that President Jefferson would have applauded your program had one like it existed in, say, his home base, Albemarle County, Virginia. I know President Ford does.

Sincerely,
Maynard S. Comlez

for JAMES L. PATE
Assistant Secretary
for Economic Affairs

Mailer Questioned

Dear Editor:

We received a mailing last week that urged us to get a better deal on a new or used car and vote for three candidates for Yorba Linda's City Council. A phone check with the dealer verified that the sizeable postage bill for this mass mailing was paid by the dealer.

Are these candidates going to be known as "The Chevrolet Slate"?

IT COULD BE YOU--When these nine lovely ladies appeared on stage at last year's Miss Yorba Linda Pageant they all had the opportunity of being chosen Miss Yorba Linda. Even though there could be only one winner all the contestants enjoyed the experience. Application are now being taken for the 1976 Pageant to be held May 1. The Chamber of Commerce will sign you up so that you can have the same opportunity as last year's field of, from left: Jean Sperline, Brenda Murdock, Leslie Mitchell, Amber Lane, Karen Horn, who won the title; Elizabeth Flores, Carol Ann Earll, Kitty Cannon and Cheri Buchholz.

YMCA To Expand Programs

With revenues of \$31,000 the Yorba Linda YMCA served approximately 2,200 persons in 1975, according to the annual report made by Director Gary Huff.

Programs fell into four categories: Family, Sports, Clubs and Adults. Sports programs for young people, designed to teach skills and values attracted 872 youngsters. Six hundred participated in family programs (Indian Guides, Maidens, Warriors and Kachinas).

Adult programs included softball, both for men and coed; Y-Indians, and yoga. These activities had 550 participants. Another 95 took part in service and support groups such as Y's Men, YL Community Committee, Fund Raising and Sport Committee.

Clubs for young people had a total of 80 in senior high backpacking, senior high wrestling and combined grade school-junior high activities. The sports program included basketball, swimming (using 30 backyard private pools), gymnastics (tumbling and trampoline), wrestling and karate.

Other highlights of the year were the employment of Huff as a full time director as of August 18 and hiring a full time secretary who began work on January 1, 1976.

Revenues were derived from program registrations which resulted in \$22,300 and the remaining \$8,800 came from sustaining memberships.

Huff said that this year's plans calls for program expansion on a budget of \$40,000. New programs will include Indian Princess, a father-daughter program at the first to third grade level; women's softball, grade school softball, survival program, junior high backpacking club, a second men's softball league and bicycle motocross.

The local YMCA is an extension of the North Orange County YMCA. The Yorba Linda office is at 18452 Yorba Linda Blvd.

Clodt Services

Services for Greg Alan Clodt, 13, grandson of Mr. and Mrs. Fred Clodt of Yorba Linda, were held February 13 at St. Paul Lutheran Church in Orange. He passed away on February 11.

He is survived by, in addition to his grandparents, his parents, Mr. and Mrs. Roger Clodt, one brother, David, all of Orange, and his maternal grandparents, Mr. and Mrs. William De Jager of Orange.

Police Beat

Thursday, Feb. 5

Tools worth \$150 were reportedly stolen last Thursday between 3 and 5 p.m. from the garage of Michael J. Kahlen, 5681 Kingsbriar, Yorba Linda.

Wednesday, Feb. 4

William P. Rogers, of 19301 Yorba Linda Blvd., was the poorer Wednesday evening last week by \$600 worth of property stolen from his home between 8:45 a.m. and 3:15 p.m. that day. Items taken included a stereo receiver and speakers, guns, jewelry and electrical appliances.

Following a previous burglary, Rogers told police, he had tried to "burglar-proof" his home. This time, they kicked in a door.

If elected will the city's motto be changed to "Land of A Better Deal" or "Freeway U.S.A."? Interestingly enough, one of the three candidates as a former city councilman did vote for the freeway running through Yorba Linda.

A former chairman of General Motors said, "What's good for G.M. is good for the country"; could this same philosophy be at work in Yorba Linda?

The ethics involved here are an important issue in any election and I don't believe these three candidates merit the support of voters looking for men who will not cut a corner to win an election.

1975 'Beauty Team'

Should we wish to look back a year to the bevy of Y.L. beauties who participated in the Miss Yorba Linda Beauty Pageant, reaching out for deserving honors in the fields of human beauty, poise, talent, and all the facets of liveliness, we have but to scan the group picture of the 1975 Yorba Linda team of nine charming contestants.

Mrs. Anne McGrory, guardian-angel and Chairperson of all such groups being sponsored by the Chamber of Commerce, insists that

Business, Government Conference

A conference for businessmen and women in federal procurement opportunities and trade, sponsored by the Yorba Linda Chamber of Commerce and eight other Orange County Chambers, will be held on Friday, February 20 at the Anaheim Convention Center. Co-sponsoring this event is Congressman Charles E. Wiggins.

The program commences at 8 a.m. and closes at 3:30 p.m. Lunch is at 12:30 p.m.

U.S. Military Departments, civilian agencies, and prime contractors are the participants. There will be individual counseling sessions to be held concurrently with seminars.

Luncheon reservations are being taken at \$10 per person which includes all conference materials. Reservation deadline is February 16th. For further information, contact Roy Knauff, Tel. 870-7266.

she "loves 'em all" and would never have been able to pick the winner, had it not been for a great team of judges and an accountant.

After much paperwork and careful analysis, the judges came up with the winner: Miss Karen Horn.

Karen was sponsored by Attorney Roland Bigonger. First runner-up was Elizabeth Flores, sponsored by the Y.L. Equipment Rentals. Kitty Cannon was second runner-up, while third honors went to Amber Lane, and fourth runner-up was awarded to Leslie Mitchell.

For 1976, the big contest takes place on May 1st at the Bernardo-Yorba Junior High School. Once again, candidates for all the honors will be sponsored by local businesses.

And, once again, the Chamber is awarding \$500 in credits towards a wardrobe of the winner's own choosing at stores of her choice located in Yorba Linda.

"Good old May-Day (May 1st) is not far off," emphasizes Mrs. McGrory, "and there is much preparatory work to do before the next big day of the exciting beauty-show."

"Those who wish to enter this highly worthwhile event-of-the-year for young ladies, had better make application soon, and I urge that they secure forms from the Chamber or City Hall offices pronto, fill them out, and put them on file with the Chamber as soon as possible," Anne said.

People Mover At Van Buren

Here comes "The People Mover," one of the most excitingly different programs available today. This extremely entertaining show features a multi-talented performer who sings, amazes kids with a special magic and involves the audience with fun and comedy. During the past few years, The People Mover has been exposed to more than one million students all across the nation.

The Van Buren PTA is sponsoring The People Mover with a day assembly on Monday, February 23 for the school children, stressing good conduct in school, goodwill among friends, respect for teachers, etc., and a family program will

be presented on Tuesday February 24 at 7:30 p.m. in the multi-purpose room for the entire family.

Tuesday, February 24 at noon, the PTA will be selling tickets for the evening performance. This program will have its emphasis on the family life and patriotism.

Tickets will be \$1.25 per adult and \$1 per child (preschoolers are free), if purchased during the day of the 24th. If tickets are purchased at the door the evening of the performance, they will be priced slightly higher.

PLCH Works With Agency

A Hospital/Home Health Care agency will be assisting in discharge planning at Placentia-Linda Community Hospital.

Two liaison nurses from the agency will visit PLCH twice weekly to provide health teaching and rehabilitation for patients who have a need for nursing care upon discharge from the hospital.

Other services provided could be: Occupational Therapy, Physical Therapy, Speech Therapy, Stoma Therapy as well as home health aides and homemakers.

By coordinating with the doctors, discharge planning and the agency, the community and the patients are better served through a more complete evaluation of necessary services.

Mold forming on refrigerated natural cheese is harmless, and may be scraped off. To prevent cheese mold, wipe cheese surfaces with vinegar, allow to evaporate, before re-wrapping.

Ballet Recital

Several Yorba Linda children, students of ballet teacher Rosemary Clifton, will participate in her first minor recital on February 20 at the Yorba Linda Woman's Club at 7:45 p.m.

The short program is open to the public. The girls performing are between 8 and 14 years of age. Mrs. Clifton has been teaching here three years with beginning and intermediate dancers in the purist tradition of Classical ballet.

HORSE TALES

by JOAN JOHNSON

Since the Star did such a nice job of reporting the results of the Settling Basin meeting, held on February 5th, they got me off the hook for writing the article. There's really nothing I can add to it, either, except that I will attempt to keep you posted on the continuing progress of this project.

The Yorba Linda Country Riders and the local 4-H members are joining forces to put on a horseshow and playday at Hidden Hills Stables on March 13th with all proceeds going toward the development of the Settling Basin.

In order to make this venture a sure success, they are asking for sponsors for the seventeen classes offered. Anyone interested in sponsoring one or more classes at \$10 each may contact Sue Lease at 528-3720.

Sue also announced that the Indian Maidens are planning to have a bake sale to benefit the Basin. Every little bit helps (except in the vicinity of the waistline!). When everyone was so frantically putting in orders for rain, I don't think we bargained for what we got! Three-and-a-half inches of heavy California dew in six straight days was a bit much!

So it's back to messy

corrals and muddy animals for a while, but it's sure worth it. Things are already starting to green up and, hopefully, some of the trails that have been closed due to fire danger, will now be reopened.

Since my article was omitted from the paper last week, some of the dated material just fell by the wayside. However, all is not lost.

On February 21st, there will be a Breeding and Teasing Clinic at Cal Poly. One session will be at 10 a.m. and another at 1 p.m. Admission is \$3 for adults and \$2 for students.

Corral #40 is having a big horseshow at Diamond Bar on February 21st and 22nd. English classes will be judged by Judy Benz on Saturday and Curtis Counts will handle the judging of the Western events on Sunday. This is an L.A.C.-H.S.E.A. "B" rated show, by the way.

The Associated Riding Clubs of Orange County will be holding their annual fund raising dinner at El Rodeo Riding Club, 4449 Carbon Canyon Road, on February 28th. The menu consists of a baked ham dinner with all the trimmings!

Tickets will be available at the door for \$1.50 each.

Jr. Hi Elections

Yorba Linda Jr. High students have been buzzing with excitement because once again, it is time to elect student body officers.

The students must complete a petition and have all their teachers fill it out as to whether or not the student is acceptable for the office or not. The criteria is based on grades.

The Presidential and Vice President candidates must have a B average, so must the Secretary and Treasurer. The public works officers must have a C average.

The President and Vice President must be eighth graders, but the other officers may be either 7th or 8th graders. The nominees must then go to a nominating convention, be elected for candidacy and the candidates will then be announced.

The candidates had from February 4th until February 6th to campaign.

After a campaign assembly on February 5th, the students voted secretly in homerooms to decide the winners. The election took place on February 6th.

Reported by Kelly Collignon

Rainbow Girls

Teen-age girls from the neighboring communities of Whittier, La Habra, Buena Park and Orange, under the guidance of Mrs. Marie Newcomb of La Habra, are forming a special corps of officers to present the ritual work of the International Order of the Rainbow for girls for members of Yorba Linda Chapter, Order of the Eastern Star and Yorba Lodge, F & AM on Thursday, February 19th at 7:30 p.m. in the Yorba Linda Masonic Temple.

Laurette de Puy of Whittier will preside as Worthy Advisor and Mrs. Norma Chambers of Yorba Linda will act as Mother Advisor for the evening.

A Rainbow Assembly is being organized in Yorba Linda and Worthy Matron Wanda Riley and Worshipful Master Reuben Dominguez have planned this joint meeting in order to acquaint members of their organizations with the ritual of this Masonic affiliated service organization for girls in their teens.

All interested Masons, members of the Order of the Eastern Star and Majority Rainbow members are cordially invited to attend.

T'Masters

Members of the Yorba Linda Placentia Toastmaster's Club #3425 enjoyed another dinner meeting at the Alta Vista Country Club on February 3.

Although it was the first rainy evening of the year; it did not dampen the spirit and enthusiasm of the members. The Table Topics portion of the meeting, presented by Mike Lackner was very educational and humorous.

There were several after dinner speeches prepared by John Meursing, Tony Schipsi and Bob Welty. The trophy for best speaker of the evening was awarded to Bob Welty for his "Ice Breaker" Speech.

The award for best evaluator was presented to Lackner and the best table topic speeches were given by Jack Kruse and Meursing.

Guests and new members are always welcome. For information call: 528-7641 or 993-5930.

Boy For Thomas

Mr. and Mrs. Dennis Thomas, 4532 Loganlinda, Yorba Linda, announce the birth of a son, Jason Collier Thomas, on February 3 at West Anaheim Community Hospital. The baby weighed seven lbs., 10 ounces.

The maternal grandparents are Mr. and Mrs. Edwin Collier of Fresno and the paternal grandparents are Mr. and Mrs. M. B. Scott, also of Fresno.

WELCOME, SARGE - Waiting to greet U.S. Marine Corps Sergeant Stanley Hickman to the "Old Glory" program February 17 for the Van Buren School PTA were, from left: David Wankel, Clint Dieball, Kim Michaelson, and Tanya Michaelson.

In and Around Yorba Linda

by Judy Goffin

Yorba Linda-Placentia Soroptimist have plans underway for their 5th Annual Spring Luncheon "Up, Up and Away," to be held at the Alta Vista Country Club on Saturday, April 3rd. Tickets are \$7.50 per person. Fashions will be shown from some of our local boutiques and ladies shops. Tickets are available from members of the organization or by calling Mary Bette at Fullerton Savings and Loan, in Placentia.

A newly formed "Writers Organization" held their first meeting this last week in Huntington Beach. The organization is open to aspiring authors, as well as published ones. The group will meet monthly and host guest speakers and also discuss writing ideas of its members with an eye to assisting members to have their writings published. Information about the group is available from Jo Ann Jarvis at 960-2191 (714).

Artist-Lecture Demonstration, sponsored jointly by the North Orange County Community College District Adult Division and the Placentia Art Association for the month of February will take place on the 26th at 7:30 p.m. at the Back's Community Building at 201 S. Bradford. The program will be "Ways with Water Color" presented by Rex Brandt. More information, call 528-4160.

Gene and Pauline Williams welcomed their fourth child, Terry Allen on January 24th. Terry weighed in at 8 lbs 3 oz. with lots of dark brown hair and was 20 1/2 inches long. He was named after his paternal grandfather Terry Williams who resides with the baby's paternal grandmother in Fontana. Maternal grandparents are G.E. Walters of Anaheim. Enjoying the baby are brother Steve who celebrated his

Yorba Linda Junior Woman's Club members have been assisting in the local schools as teachers aids. Working at the schools have been Muriel Reed, Linda Gudzunus, Ann Eaves, Wendy Spencer, Virginia Kroenlen and Cathy Ortega.

The Yorba Linda Juniors recently sponsored a Vision Screening Clinic in our local schools.

At the Azusa High School First Annual Pop Choral Festival held in January "Guys and Dolls" took first place award of a trophy and \$200 cash prize.

The adjudicators were Jack Halloran, Fred Frank, and Gloria Rabella, all professionals in the field of music.

There were 11 other high schools entered in the competition from all over Southern California.

Library Showcase

Rare opportunity

The Yorba Linda Bicentennial Committee's President Days display opened at the Yorba Linda library Tuesday and will continue through Saturday.

Featured among the historical documents and mementoes is a handwritten copy of the original Declaration of Independence.

This copy is believed to be one of several commissioned by John Quincy Adams in 1823 to be made for the then surviving original signers and other high officials. Also on display are documents bearing the signatures of James Madison and Henry Clay.

On behalf of the Bicentennial Committee, John Quincy Adams V, a direct descendant of the sixth President and a resident of Yorba Linda, will be in the library from 2 to 4 p.m. on Saturday to meet and talk with fellow residents about his renowned ancestors.

"Hello Dolly" will run February 13, 14, 20, 21, 27 and 28 at Plummer Auditorium, presented by the Fullerton Civic Light Opera Company. Many Yorba Lindans and Placentians are associated with the production.

Congratulations to Mrs. Judy Douglas, who recently became 1st Vice-President for the Orange District Federations of Woman's Club Junior Membership.

Yorba Linda Junior Woman's Club members have been assisting in the local schools as teachers aids. Working at the schools have been Muriel Reed, Linda Gudzunus, Ann Eaves, Wendy Spencer, Virginia Kroenlen and Cathy Ortega.

The Yorba Linda Juniors recently sponsored a Vision Screening Clinic in our local schools.

Guys & Dolls

The popular singing group known as "Guys and Dolls" was formed in 1971 with 20 students of Troy High School. The group, now numbering 18 is a firm part of the curriculum at Troy meeting as a class every day. They offer performances as a community service to schools, civic organizations, and hospitals.

At the Azusa High School First Annual Pop Choral Festival held in January "Guys and Dolls" took first place award of a trophy and \$200 cash prize.

The adjudicators were Jack Halloran, Fred Frank, and Gloria Rabella, all professionals in the field of music.

There were 11 other high schools entered in the competition from all over Southern California.

GUYS AND DOLLS - Troy High singing group has 18 members and 10 of them were present for this photo. Front, from left: Heidi Oleyar on Steve Castle's lap, Rich Johnston and Cate Coots sitting on John Racca's lap. Girls in middle are Kandy Weldman, left and Mona Moore, right. In rear are, from left: Barbara Covington, Christy Roberts and Jill Jones. Not pictured are: Jon Amidel, Steve Gardea, David Clouse, Scott Hayes, Lynn Parker, Rick Romney, Kristy Roy and Rick Tutt.

Week Tough On Warriors

BY SCOTT EMBLIDGE

Troy High School's basketball team started off last week in a four way tie for third place, a good chance for a winning season, and with the Freeway League scoring leader on their team.

After the week's end, the Warriors were in fifth place, need to win their final two games to finish 7-7 and the star center dropped from top scorer.

Mark Pepper had been the story lately for Troy, averaging 32 points per game in his last four contests, including a 41 point performance. The 6-5 pivot man has been the main attraction for Warrior fans with spectacular blocked shots and accurate shooting.

Pepper had 28 points against Santa Ana Valley last Monday evening and was backed up by good play from his comrades but Troy lost, after leading almost the entire contest, 83-82.

The Warriors had an 11 point edge after the first quarter had expired, but Santa Ana Valley caught up at the half and trailed by a point, 41-40. The third quarter was identical to the first with Troy pulling ahead to a comfortable 70-61 edge.

The final period was Troy's downfall though with Valley outscoring their foes 22-12 and playing excellent defense in the clutch. Guards John Feary and Jamie Robbins combined for 30 points in a losing effort and forward Steve Paden tallied ten.

The big man for the Falcons was lanky center Ron Cornelius who contributed 22 points including a pair of free throws in the last seven seconds.

It was defense that did the Warriors in against La Habra also with the Highlanders winning easily 64-49. The Clan shut off Pepper, holding him to a season low 12 points and played aggressively al-

though not committing many fouls.

The game was never really close for Troy due to the fact that without Pepper scoring the Warriors needed some firepower elsewhere. They could not find a hot hand when they needed it and that put them away.

At one point, John Feary hit four impressive shots in the second quarter but he cooled off and Pete Chapin tied for team lead in scoring with 12, hitting on 6 of 9 shots, but that was not enough.

The free throw line told a story also. La Habra committed only nine fouls and just three were shooting fouls. Whereas Troy had 13 infractions which turned into 12 Highlander points.

Troy's junior varsity team remains number one in league play with a record of 11-1. They have played excellent ball and have shown skill in coming from behind.

The Warrior's final game of the season is Friday evening against Buena Park in the Coyote's gym.
